## IT Graduate Opportunity

### JAVA DEVELOPER

Koorong has a fantastic career opportunity for a recent IT graduate as a Java Developer within our IT team. Based at West Ryde, this fulltime position will involve the development and support of the Koorong web site, as well as other varied and challenging applications.

The ideal applicant will have:

- University qualifications in Computer Science (or due to complete their studies in 2010)
- A strong understanding of core Java SE
- Servlets and JSP
- HTML, CSS, Javascript
- A passion for web development

Exposure to the following is also desirable:

- Usability & user interface design
- Mobile applications development

As part of a small team, your communication and interpersonal skills will be excellent. Applicants will also need to exhibit strong attention to detail, be task focused, exhibit good organisational skills, and have the ability to work under pressure.

This position presents a fantastic opportunity for expanding your skills and experience in web development whilst working in a friendly environment.
